

# INTREPID WOMANS EXPEDITIONS

**Iran, Jordan, Morocco, India, Turkey, Nepal & Kenya**

We believe travel is for everyone. But in some countries, there are things mixed-gender groups just can't do. What if, as a female traveller in Iran, you could head down to the beauty salon with your female leader and get your hair done? The hijab comes off and there's a real chance to connect. Or you might prefer to lace up your hiking boots and head off on a trek in Nepal, led by an all-female mountaineering crew. This limited-edition series of expeditions is all about breaking down barriers, fostering discussion and creating immersive local experiences for women that are ordinarily off limits on our regular group departures.
